ABSTRACT

Tuberculosis - Campaign against - Free microscopic examination of sputa in Civil Hospitals - Orders passed.

EDUCATION AND P.H.DEPARTMENT
G.O.No.Ms.3838 P.H., dated 28th October 1938.

Read the following:-

From the Government of India, Department of Education, Health and Lands, No.F.44-2/38-H., dated 28th March 1938.
From the Surgeon-General, R.No.9478-Hos., dated 29th April 1938.
From the Government of India, No.F.44-2/38-H., dated 22nd June 1938.
From the Surgeon-General, R.No.12874-H., dated 16th September 1938.

O R D E R:-

The King George Thanksgiving Anti-Tuberculosis Fund Committee has stated that the provision of free microscopic examination of sputum at public hospitals and laboratories has proved to be a measure of great assistance in the Anti-Tuberculosis Campaign in England and other countries and that it is the considered opinion of the Committee that similar facilities should be available in this country. It has resolved that Provincial Governments should be requested to provide facilities for free examination of sputum on the recommendation of qualified medical practitioners in all public health laboratories and in all District and Taluk Hospitals for the benefit of poor patients.

2. The Surgeon-General has reported that facilities for examination of sputum already exist in all the Government District Headquarters Hospitals and in almost all the Taluk Headquarters Hospitals and that local bodies should be asked to provide such facilities in the Taluk Headquarters medical institutions under their control.

3. The Government are pleased to accept the suggestion of the Committee referred to in paragraph 1 above so far as Government medical institutions and laboratories are concerned. District Boards and Municipal Councils are requested to provide similar facilities [illegible]
